

Feb 27, 2019

SEAN F. McAVOY, CLERK

UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF WASHINGTON

UNITED STATES OF AMERICA,

Plaintiff,

v.

JEFFREY JON FRANKLIN,

Defendant.

No. 2:18-CR-00220-WFN-1

ORDER GRANTING  
DEFENDANT'S MOTION TO  
MODIFY RELEASE CONDITIONS  
AND MOTION TO EXPEDITE

**MOTIONS GRANTED**  
**(ECF Nos. 28, 29)**

Before the Court is Defendant's Unopposed Motion for Modification of Release Conditions, **ECF No. 28**, and Motion to Expedite, **ECF No. 29**.

Defendant recites in his motion that neither the United States, nor U.S. Probation oppose this request provided Defendant does not access the inter-net and returns directly home on days he is authorized to work late.

Specifically, Defendant requests permission to access the intra-net for work purposes and be allowed to extend his curfew on the occasions his employer asks him to work late. The Court understands the term *intra*-net to mean a privately created and controlled computer network operated by and confined to the United States Postal Service which employs Defendant, as distinct from the *inter*-net, or world wide "web."

**IT IS ORDERED** Defendant's Motions, **ECF Nos. 28 and 29**, are **GRANTED**. Defendant is permitted to access the intra-net for work purposes only and may extend his curfew on days he is requested to work late. Defendant is

1 required to notify Pretrial Services in advance of working past curfew.

2 All other terms and conditions of pretrial release not inconsistent herewith  
3 shall remain in full force and effect.

4 **IT IS SO ORDERED.**

5 DATED February 27, 2019.
